

ORIG
DWG. NO.

Technical drawing of the front view of the 80A (3B) model. The drawing shows a rectangular unit with a motor on the right side. A dashed arrow indicates the "OPEN" position of the top cover. Dimensions are provided in millimeters: overall width 800, overall height 756, motor height 251, and base height 40. A drain socket is located on the front panel. A detail view of the top cover hinge is shown in the upper left corner.
