

ORIG	
DWG. NO.	

Technical drawing of the front view of the 80A (3B) model. The unit is shown with its dimensions: overall width 900, overall height 756, and base height 365. The front panel features a motor on the right, a drain socket on the left, and a top-mounted handle. A dashed arrow indicates the handle can be opened. The unit is mounted on four feet.
