

157B5110

**PVP, pump side modules
common for PVG16 & PVG32**

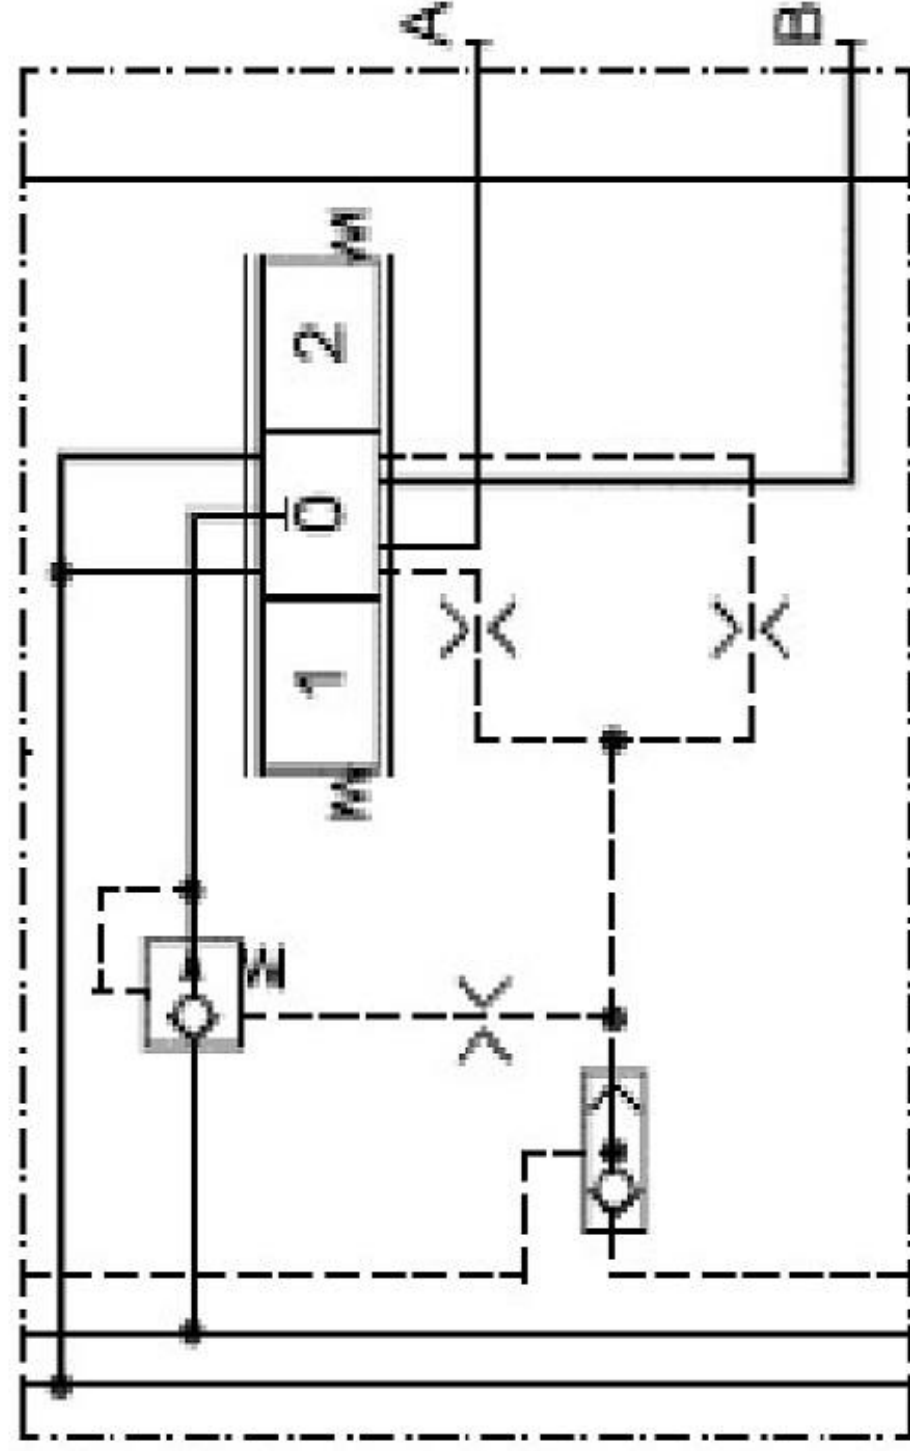

Open center pump side module for pumps
with fixed displacement.

With pilot oil supply for electrically actuated
valves.

Port Size: P=3/4" BSP, T=3/4" BSP

157B6200

PVB32, basic modules

Without adjustable LSA/B pressure limiting valves

With non-damp pressure compensator valve

Without facilities for shock valves A/B

Port Size: 1/2" BSP
