Marking area
33mm (1.3") x 15mm (0.6")

Your working fields matter.

Patmark[®]-plus

In response to customer requests, a larger marking area has been added to the Patmark family. Marking window of 80mm x 20mm (3.1" x 0.8") expands your capabilities.

Portability you want, Capability you need.

Strong magnet guide. (option)

All mark you want in one pass.

Clear mark on a wooden crate.

Plastic case marked with acute pin.

Mark on the concave bottom.

Free App

Battery, WiFi and Smartphone...guarantee absolute mobile marking.

Simple starting steps. Just download the Patmark app from the App Store or Play Store. Select the Patmark's SSID on the WiFi using the serial number on the Patmark unit. Open the Patmark app, then mark information.

PM Win Software

Here's a great solution. PM Win Software provides you more features such as multiple line marking, logo marking, QR and DM code, serialized number, and auto calendar. In addition, using PM Win Software expands Patmark's capability with storing up to 255 files which are readable in your handheld device.

Note : Specifications can be changed without prior notice for quality improvement.

Accessories

Varied options expand Patmark's capabilities.

USB connector for PM Win Software.

AC Adapter Jack for direct power.

Hands-Free Fixture. (option)

Circumference mark on the round parts with S-Rotary. (option)

Tool Post and Hanger. (option)
